Request a **POP UP** Library at your event or schedule **Homebound Services**

Are you or someone you know homebound? To receive services, you must be a homebound resident of Madison County and unable to visit the library due to physical disability, chronic illness, or age-related issues. You need a good standing library card and must fill out an application from our website <http://www.mcls.ms/Bookmobile/Homebound.pdf> for Homebound Delivery Services to qualify.

A Pop Up Library brings the "library on wheels" to your business or organization's event equipped with storytimes, business resources, genealogy, Chromebooks, early literacy, and more. Fill out a request form from our website at <http://www.mcls.ms/Bookmobile/PopUpForm.pdf>
