# MAGNOLIA

## Online Reference Sources

Welcome to MAGNOLIA, Mississippi  
Alliance for Gaining New  
Opportunities through Libraries.

MAGNOLIA is a statewide  
consortium funded by the MS  
Legislature that provides free  
databases.

# REFERENCE DATABASES

## **Academic Search Premier:**

The scholarly database contains indexing and abstracts for over 8,450 journals, with full text for more than 4,650 of those titles.

## **Business Source Complete:**

This is the world's definitive scholarly business database, providing the leading collection of bibliographic and full-text content.

## **Computer Source:**

Containing nearly 300 full-text journals and magazines - with a balance of full-text technical journals and full-text consumer computer titles - this resource covers topics such as computer science, programming, artificial intelligence, cybernetics, information systems, robotics and software.

## **Consumer Health Complete:**

Provides content covering all areas of health and wellness, from mainstream medicine to the many perspectives of complementary, holistic, and integrated medicine.

## **History Reference Center:**

The comprehensive history reference database features full text for more than 1,600 reference books, encyclopedias, and nonfiction books from leading history periodicals.

## **Literary Reference Center:**

This comprehensive database provides users with a broad spectrum of information on thousands of authors and their works across literary disciplines and timeframes, combining information from major respected reference works, books, literary journals, and original contents.

## **MasterFILE Premier:**

This database contains full text for nearly 1,700 periodicals covering general references, business, health, education, general science, multicultural issues, and much more.

## **MAS Ultra - School Edition:**

This comprehensive database, designed specifically for high school libraries, contains full text for nearly 500 popular high school magazines.

## **Middle Search Plus:**

This Middle Search Plus contains full text for more than 140 popular middle school magazines, as well as full text for thousands of biographies and historical essays. All full-text articles are assigned a reading level indicator.

## **Newspaper Source:**

This database provides cover-to-cover full text for 47 national and international newspapers, as well as selective full text for 390 regional newspapers.

## **NovelList:**

NovelList, a reader's advisory service, not only provides access to 155,000 fiction titles, but it also offers a wide range of feature content that serves fiction readers of all ages including author read-alikes, book discussion guides, reading lists, and more.

## **Primary Search:**

Designed specifically for elementary school libraries, this database contains full text for more than 70 popular elementary school magazines. All full-text articles are assigned a reading level indicator.

## **Psychology & Behavioral Sciences Collection:**

This comprehensive database covers information concerning topics in emotional and behavioral characteristics, psychiatry and psychology, mental processes, anthropology, and observational & experimental methods.

## **Vocational & Career Collection:**

This database is designed to meet a wide variety of vocational and technical research needs, and provides full-text coverage for nearly 340 trade and industry-related periodicals.
